FOR IMMEDIATE RELEASE

Keep Pensacola Beautiful Earns Keep America Beautiful President's Circle Award Recognition

*Local Organization Recognized for Exemplary Performance,
Standard of Excellence*

PENSACOLA, FL (April 9, 2019) – Keep America Beautiful, the nation's iconic community improvement nonprofit organization, presented Keep Pensacola Beautiful with its 2018 President's Circle Award recognition at Keep America Beautiful's recent National Conference, which took place in Baltimore, Maryland. The President's Circle Award recognizes exemplary performance by certified affiliates of Keep America Beautiful in creating clean, green and beautiful communities.

In qualifying for the President's Circle Award, Keep Pensacola Beautiful has met Keep America Beautiful's standards of merit by conducting an annual Community Appearance Index, calculating the affiliate's cost/benefit ratio, and administering initiatives to end littering, improve recycling, and beautify Escambia County's community. Keep Pensacola Beautiful is one of Keep America Beautiful's more than 600 community-based affiliates whose programs, initiatives and efforts, supported by millions of volunteers, help transform public spaces into beautiful places.

"One of our nation's most effective grassroots community resources is our local affiliates, which engage millions of Americans in volunteer service each year," said Keep America Beautiful President and CEO Helen Lowman. "Our affiliates provide real solutions that help create communities that are socially connected, environmentally healthy and economically sound. They enrich the communities they serve and help create opportunities for Americans to do beautiful things."

"We are so proud to be celebrating 40 years of service to the community in 2019," said Sigrid Solgard, Executive Director, Keep Pensacola Beautiful, "and we look forward to continuing our education, preservation, and beautification efforts as we expand our programming and presence in the community."

Community Appearance Index-Litter Index: The Keep America Beautiful Community Appearance Index-Litter Index is a tool used by its affiliates to visually assess overall appearance of communities through indicators such as litter, illegal signs, graffiti, abandoned or junk vehicles, and outside storage. A team of community, business and government representatives conduct the visual analysis using a scoring system ranging from 1-4, with "1" rated as "no litter" to "4" being "extremely littered." Each year, affiliates grade their communities during a drive-by examination of the same areas at the same time of the year. This provides an indication of the success of each community's anti-littering education and other anti-littering programs.

Cost/Benefit Analysis: This measurement tool enables Keep America Beautiful affiliates to demonstrate their ability to leverage community resources by determining the dollar value returned to the community for every dollar invested by government.

The Keep America Beautiful National Conference, its premier educational and networking event, brought together more than 350 leaders from Keep America Beautiful's national network of affiliates, business leaders, policymakers and other experts who shared innovative ideas and proven strategies to help improve America's communities.

The 2018 Keep America Beautiful National Conference was made possible through the support of some of America's leading companies, including: Leadership Sponsors – Altria and Santa Fe Natural Tobacco Company; Stewardship Sponsor – Anheuser-Busch; and Strategic Sponsors – Keurig Dr Pepper; PepsiCo and Steel Recycling Institute. Scholarships are provided by Altria and PepsiCo.

About Keep Pensacola Beautiful is Escambia County's Keep America Beautiful affiliate and has been active in the community for over 40 years. The vision of Keep Pensacola Beautiful is to create a norm within Escambia County where every community is clean and litter free, actively recycles, and is a beautiful place to live, work and play. This is accomplished through education programs, collective action, community collaboration, and encouraging individual responsibility for environmental preservation. Keep Pensacola Beautiful believes that the quality of life in Escambia County is dependent on the ability to preserve and enhance the environment.
